Valentine's Day Package

Enjoy a free Aroma Romance Bath with special holiday season gift with the purchase of a 90 min Spiral Aura For Him + 90 min Mystic Peace for Her

Mystic Peace

According to feng-shui principles, the mystic knot appearing throughout the hotel's ceiling panels is a symbol of protection, prosperity and longevity. Discover more of the same in this treatment, featuring a luxurious 90-minute massage that traces a continuous 'knot' on the body, alleviating tension and loosening muscles.

Spiral Aura

The spiral, a dominant motif in the hotel's art-deco design, features significantly in this distinctive treatment for women. A spiral massage technique focusing on common 'holding areas' for tension—the centre of the shoulders, the small of the back, the hips, the solar plexus, the abdomen, the palms and the soles—relieves pent-up stress and leaves you energized.
