

# Let's Lighten Up!

Can a spa candle inspire you to be light hearted, to lighten up?

We hope so. And we hope this candle will serve as a lovely reminder for the New Year to keep balance in our lives.

From January 15th to February 29th, you will receive a FREE balancing aromatherapy candle with every 90-minute body treatment at Willow Stream\*. The candle will help you bring your relaxed spa attitude home. And, perhaps, help create the feeling of an escape to the spa whenever you need one.
